

# Handout Session #3

1. Share a specific example of how God has changed your world view of life to be more like His perspective. (i.e. I no longer watch...)
2. What's the difference between inward transformation and behavior manipulation? Would you be able to recognize the difference in another believer who is in your sphere of influence?
3. Do you believe the Bible is Truth? All of it?
4. If engaging the Bible 4+ times a week is a predictor of spiritual growth, how are you doing?
5. What are you using right now for your daily quiet time? (resource or what do you do?)
6. What you have found helpful in “hiding God’s word in your heart”? (memorizing scripture)
7. How do you feel about the statement from the study that *There is little relationship between involvement in church activities and spiritual growth*?
8. What helps you stay focused during prayer?
9. How can you help a disciple become comfortable praying out loud?
10. How have you been able to maintain fellowship with other believers in this time of on-line worship (because of COVID-19)? How can you help others who are perhaps on the “fringes” maintain fellowship?
