

# Handout Session #11

**CHALLENGE FROM LAST WEEK:** Did you read the Common Misconceptions (on the back of last week's handout)? Comments?

1. Does the branch produce the \_\_\_\_\_? OR is the branch simply a \_\_\_\_\_ through which the \_\_\_\_\_ of the vine flows?
2. Can I abide with the Lord when I know that I am out of fellowship with another believer?
3. What do I do if a person won't accept my apology when I ask for forgiveness?
4. Do you agree with this statement? "My goal should be to live in harmony (fellowship) with others, not to pressure everyone to hold my views."
  - Is this true whether the other person who disagrees with me is my spouse, family member, or "neighbor"?
  - Am I praying for people who disagree with me?
  - If God says that their behavior is not displeasing to Him, am I willing to trust Him? What do I do if the Lord reveals that their actions ARE displeasing to Him?
5. What does the concept of growth mean?
  - (Physical example) I am growing \_\_\_\_\_ something and \_\_\_\_\_ something.
  - (Spiritual example) I am growing from \_\_\_\_\_ dependence to dependence on \_\_\_\_\_.
6. How can anxiety and panic keep me from abiding today?
  - Telling someone to "stop being anxious" doesn't usually help! So how CAN you help them?
